saw something that nobody ever saw in this world," said Mr Nawaf. "There were children's bodies cut into pieces, women cut into pieces, men cut into pieces."

I Fall To Pieces

Patsy Cline

I fall to pieces
Each time I see you again
I fall to pieces
How can I be just your friend

You want me to act
Like we've never kissed
You want me to forget
Pretend we've never met
And I try and I try
But I haven't yet
You walk by and I fall to pieces

I fall to pieces
Each time someone speaks your name
I fall to pieces
Time only acts to the play

You tell me to find someone else to love
Someone who loves me too
The way you used to do
But each time I go out with someone new
You walk by and I fall to pieces
